

SAFETY CHECK

Risk Control at UFG Insurance | riskcontrol@unitedfiregroup.com

Contractor risk management checklist

UFG Insurance is committed to providing assistance and resources as it relates to protecting policyholders. As part of that commitment, the following document was prepared to assist policyholders in their risk management efforts. The purpose of this resource is to provide a checklist of common risk management programs/policies as well as highlight controls for common industry exposures.

The checklist is sorted by line of coverage.

PROPERTY			
GENERAL	YES	NO	NA
Written safety rules and training ⚠ <i>Flammable storage cabinets. No smoking in the building. Gas cylinders secured.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Are there class ABC fire extinguishers in the shop and office? ⚠ <i>Visual check monthly. Inspected by third party annually.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
